

HAND FINISH

We are the only laundry in the city, operating a strictly hand finish dep't. This process not only gives a smoothness and gloss unapproached by machine laundries, but makes your clothing last twice as long. Hand finishing does not yank, pull, squash or tear your clothing—just the most natural and easy method there is.

PROMPT DELIVERIES

We have just added another wagon to our delivery equipment. This is absolutely the finest delivery wagon in this city and when added to our already large force of delivery facilities, makes the prompt and accurate delivery of your laundry bundles a certainty. The best delivery service as well as laundry service is at your beck and call.

SOCIETY

The marriage of Miss Ruth Hoaglin of Topeka to Professor William Humble, assistant professor of law in the University of Kansas, at Lawrence, took place in Chicago today. Miss Hoaglin, who was formerly a student at Washburn and whose people live at 824 Morris avenue, and Professor Humble have both been doing some advanced work at the Chicago university summer school during the vacation.

Miss Margaret Minney and Miss Helen Morrow have asked guests for a porch tea at the home of the former, Eleventh and Quincy streets, the Overmeyer house, where the Minney family is living this summer. Wednesday afternoon from 4 to 8.

Two weddings of interest to many friends will be celebrated in Topeka Wednesday. Miss Helen Cartledge, daughter of Mr. and Mrs. E. T. Cartledge, will be married to Mr. Archie Muholland. They will be at home in Topeka after a wedding trip. Miss Wilma Houp and Dr. Herbert Clark of Leavenworth will also be married Wednesday at the home of the bride's parents, Mr. and Mrs. William Heap.

Considering the excessive heat and that Vinewood is no summer resort the Women's Field day at the park Friday under the auspices of the City Federation of Women's clubs was well attended. The clubs, themselves, and their membership includes about five hundred women, were well represented and with their more or less resigned husbands and their children, they made up the majority of the crowd. The evening attendance was, of course, the largest, but the cars all afternoon carried many passengers. The amount of the proceeds the club women are to have a percentage of the park receipts for their club house fund, can not be determined for a few days. The officers, however, expect a considerable sum, which will have the honor of being the nucleus of the club house fund.

The principal features of the day was a club meeting, held in the carousel pavilion at 3 o'clock in the afternoon, and a lodge drill contest. The competitors in the latter were the Lady Macabees, Hive No. 14, and the K. and L. of S. The members of both teams wore white uniforms and the drill was very effective. The prize of \$20 was awarded the K. and L. of S. The judges were T. P. Kelly, Robert Parker and E. T. Hearick. Mrs. Amanda Cliffe is president of the winning society and J. R. Brown is the drill master.

"The Federation Field day was a disappointment in one respect," said a prominent club woman this morning, "and that was in the patronage from outside the federation. The club women were loyal. Every club was well represented and I know there were many women who went out to the park and took their families who would have preferred to spend the day at home, but who put aside their own comfort and convenience for the sake of the club house movement. Here, they realized, was an opportunity to help in a small way and to encourage the federation in the very first project it has ever undertaken for itself. Have you ever realized that the federation has never asked the public for a penny to carry on any of its work? There is not another organization in Topeka that can say as much. The federation has given time and money to many public and charitable enterprises and the club women themselves have borne the entire burden. We have never passed the hat, and yet when the people and the institutions we have labored to assist, have an opportunity to help us a little by visiting Vinewood on Friday day I noted their absence with much disappointment. We had our field day on Friday so that the employees of the shops which close that day could attend. The car on which I went to the park was loaded when it left the Avenue and I was much pleased to note that who owe their weekly holiday to the efforts of the federation women who started the agitation which resulted in giving them Friday afternoons during

July and August. I supposed of course they were going to Vinewood to help make the Federation Field day a success—but they got off at the ball park! I wish you would just enumerate, in this connection, some of the things the city federation has done for the public in the past ten years, never asking for anything in return. Now we are asking the public's help to build a club house for women. We don't want a home for the federation only, but a beautiful building which will be at the service of all the women of Topeka and which will be a valuable social and commercial asset. If we had the money we have given away our all and worked unselfishly for others we must have help with our club house fund. So when we pass the hat, for the first time, in the existence of the federation, we will ask people to hear in mind the following things the federation has done:

"Given over \$1,200 for school room pictures and decorations in Topeka and started the local public school decoration movement.

"Purchased and put into motion the first traveling library and art gallery, now taken over by the state, to the federation donated the books and pictures it had purchased.

"Gave the flower parade and an evening entertainment during the semi-centennial celebration in 1904. Both the work and the money were free gifts of the federation.

"Inaugurated the movement which resulted in giving over 500 employees of Kansas avenue shops, weekly half holidays during July and August.

"Placed the first and only seats in the state capitol grounds.

"Gave a banquet to the Twentieth Kansas regiment at its home coming in 1899.

"Supported a free kindergarten on the East Side one summer.

"Started the public playground movement and kept a reading room in the old Parkside school house.

"Helped to refurnish Holbrook hall, Washburn college.

"Secured the opening of the first public manual training school in Topeka.

"Worked for the Manual Training high school bonds. Worked in the state legislature for the annual training bill, for the child labor laws and the pure food laws.

"Endorsed the efforts of the women teachers for an increase of salary and was largely instrumental in securing the advances made in teacher's salaries the past two years (I didn't notice any considerable representation of school teachers at Vinewood, Friday).

"Maintains a Washburn scholarship and contributes to the state federation scholarship fund.

"Contributed \$25 to the Colored Industrial Institute; contributed to Topeka's Galveston and San Francisco relief funds; has given more than \$100 to the Crittenton home and the Orphan's home; has given books to the Girls' Industrial school at Beloit and to the Boys' Industrial school at Topeka; gave \$100 outright to the North Topeka flood sufferers' fund and over \$700 to the purchase of school books for children in the flooded districts; contributes yearly to the Provident association Christmas tree, and every two weeks for over seven years has furnished an afternoon entertainment and refreshments for the Mothers' club of the Provident association; contributed a library of fifty books each, to three Topeka hospitals."

A picnic supper was given at the home of Misses Roxy and Marie Vanell Friday in honor of Miss Manita Stewart of Junction City. The other guests were Miss Mary Clark, Miss Mallesta Disney, Miss May Tomlinson, Miss Neva King, Miss Orla McClure, Miss Violet Crumline, Miss Zola Plummer.

The little Church of the Good Shepherd in North Topeka is trying to raise money for a new carpet and will give a social at the home of Mr. and Mrs. W. R. Barrett, 515 Horn street for that purpose Tuesday evening. The public is invited. Rev. Philip Warner who is the son of Bishop Warner of New Orleans, is the rector of the Church of the

Good Shepherd, but it is rumored that he will leave Topeka.

Miss Sarah Alice Wendel and Mr. Earl F. Priddy were married at the home of the bride's parents, Mr. and Mrs. George Wendel, of Elmont, on Thursday, July 29, at 8:30 p. m. The Rev. W. B. Fisher of Meriden performed the ceremony. The bride's sister, Miss Maurie Elizabeth Wendel, acted as bridesmaid and the groom's brother, Mr. Glen Priddy, was the best man. Mendelssohn's wedding march was played by Miss Nellie Pond of Topeka who also sang during the evening. The bride was gowned in soft white satin with lace on its bodice and a lace panel. The color scheme was pink and white. The guests were limited to relatives of the bride and groom. At the close of the evening the bride and groom left for the mountains of Colorado to spend a few weeks.

A subscription dance will be given at Vinewood, August 4, by Mr. Don Paine and Mr. Don Osborn.

Notes and Personal Mention.

Mr. and Mrs. J. L. King who are now in San Francisco, are expected home the last of next week. They will return by way of Glenwood Springs and Lake City, stopping at both places. Miss Gladys Van Deusen and Miss Hazel Van Deusen of Manila, Philippine Islands, who have been guests for three weeks at the home of Dr. L. H. Munn, left today to join their mother, Mrs. George W. Van Deusen in New York. They will be in New York for a month and will stop in Topeka on their way back to the Philippines where their father, Colonel Van Deusen, is stationed.

Miss Helen MacLeod, of Chicago, will visit her cousin, Miss Marion Thompson, next month.

Mr. and Mrs. E. W. Thompson and daughter, Doris, will leave soon for a short stay at Merrill Springs.

Miss John Forbes, who was a student last winter at the Ohio Wesleyan and went to Chicago at the close of the school term to take a six weeks' course at the Chicago university, returned to Topeka today.

Mr. W. M. Davidson, of Omaha, was in Topeka today on his way to El Dorado to visit his mother.

Mr. Sam Radegs, who is spending most of the summer at Merrill Springs, will be in town the first of the week for a few days.

Mr. C. E. Cain has gone to Warsaw, Mo., to join Mrs. Cain and take his children on a short visit. They will return to Topeka with him. Mr. Cain is the political reporter for the State Journal.

Mr. R. A. Wallace and his grand-daughter, Miss Lois Strickler, will leave next Friday for Chicago to visit his daughter and Mrs. W. G. Baxter and her children for a few days and accompany them to Sturgeon Bay, Wis., for a few weeks.

Miss Enid Strickler has returned from visits in Whiting, Muscatine, Horton and Albia.

Mrs. T. T. Hitch and her daughter Marjorie of Fort Madison, Iowa, are the guests of Mrs. Sarcey Marlowe at the home of her mother, Mrs. John Nichols, 1912 East Sixth avenue.

Miss Fowler of Fairfield, Iowa, has been the guest of Mrs. M. F. Rieby, left yesterday for Colorado. Mr. and Mrs. Rieby will leave soon for Colorado to spend a few weeks.

Mrs. G. E. Penfield will return tonight from Merrill Springs where she spent the past fortnight.

Miss Frank Quinton has returned from Merrill Springs where she spent the past week.

Misses Anna and Rachel Ward of Las Vegas, N. M., guests of the J. M. Meacham family, will leave Wednesday for Chicago where they will spend a month.

Miss Virginia Meade and Miss Edith Irgham, who have been giving lectures and demonstrations in domestic science at the Peabody and Council Grove Chautauques, will return to Topeka tomorrow.

Miss Patricia Babcock, of Lawrence, has gone to Estes Park, Col., for the rest of the summer.

Judge Z. T. Hazen and Judge C. A. Magaw left today for an extended western trip. They will tour the Pacific coast from southern California to the Puget Sound district and will stop in Colorado and Nevada.

Mrs. F. W. Laubach has gone to Osage City to join Mr. Laubach, who is spending a few weeks on their farm.

Mrs. E. M. Rominger and her sister, Miss Grace Root, left this evening for a two weeks' stay in Denver, Col.

Miss Agnes Henderson left tonight for a few weeks' stay in Colorado Springs, Col.

Miss Lena Tallman will leave the first part of next week for Chicago to spend a month.

Mr. Herby Warren and Mr. Emmett Warren left Tuesday for Los Angeles, Seattle and Vancouver Island.

Mrs. K. P. Simons and her daughter Julia, who have been guests for some time of her parents, Mr. and Mrs. John T. Price, 218 Eighth avenue, east, will leave the first of August for Seattle to visit the exposition before they return to their home in Blackfoot, Idaho. Mrs. Price will accompany them and will be gone about a month.

Mrs. William Warren and Miss Georgia Warren will leave tomorrow for a two weeks' visit in Wellington. Miss Bessie Cook, who was the guest of the Misses Blair, 222 Clay street, returned yesterday to her home in Salem, Ohio.

Mr. and Mrs. Newton C. Alden are the parents of a son, born July 28, at the residence of Mrs. Alden's mother, Mrs. H. J. Whitcomb, 201 Woodlawn avenue.

Mr. and Mrs. Wilson Keith of Port Arthur, Tex., arrived Friday to spend the rest of the summer in Topeka with their daughter, Mrs. Frank Hobart and their son, Mr. T. E. Keith. Miss Katherine Kelzer, guest of Miss Jean Lindsay, returned today to her home in Kansas City.

Miss Grace Osborn will leave August 2 to spend a month at Green Mountain Falls, Col., where her sister, Miss Nell Osborn of Coffeyville has been for a number of weeks.

Miss Kathryn Lux will leave next week to visit for a month in Marshall, Mo., and Kansas City.

Mr. and Mrs. A. C. Stich of Independence, their daughter, Mrs. W. E. Ziegler of Coffeyville, and her daughter, Miss Marie Ziegler, a Washburn girl, will leave soon to spend a few months in Europe.

Mrs. T. B. Sweet and Miss Mary Sweet will leave next week to spend a month at Lake Chautauqua, New York.

Mr. and Mrs. A. L. Conrad and son, Charles, will leave the latter part of August to spend several weeks at Manhattan Beach and in Canada.

Life 100,000 Years Ago.

Scientists have found in cave in Switzerland bones of men, who lived 100,000 years ago, when life was in constant danger from wild beasts. Today the danger, as shown by A. W. Brown of Alexander, Me., is largely from deadly disease. "If it had not been for Dr. Kane's New Discovery, which cured me, I could not have lived," he writes, "suffering as I did from a severe lung trouble and stubborn cough." To cure Sore Throats, Colds, Obsolete Coughs, and prevent pneumonia, its the best medicine on earth. 50c and \$1.00. Guaranteed by Campbell Drug Co. Trial bottle free.

Cancer Sanitarium

After ten years of experimental work on healing Cancer by various applications we have now arrived at a fixed point by which we cure this otherwise fatal disease by new means which are free from burning, cutting or plastering, yet active and positive in its work.

Office 528 Kansas Avenue, Topeka, Kan.

introduced into North China and Eastern Siberia. Four distribution stations have been established in Northern Asia and a rubber factory, which will supply the Chinese and Siberian trade will be built in Moscow.

"We shall need strong banking institutions in China. The recent opening of branches of the International banking corporation in Pekin and Hankow is the beginning of a move in a right direction. With good administration support and strong financial interests enlisted every banking requirement for the promotion of American interests in China will be without doubt forthcoming."

Hotel Tybee Destroyed.

Savannah, Ga., July 31.—Hotel Tybee, on Tybee island, a seaside resort 18 miles from the city, was completely destroyed at an early hour this morning. It is not known whether all the guests made their escape. The hotel was crowded, the season being at its height. No estimate of the loss has been made, but it is believed it will amount to at least \$100,000.

AMERICANS ENTER CHINA

Harvester Company Will Erect Factory in Orient.

New York, July 31.—Charles R. Crane of Chicago, recently appointed minister to China, who has returned here, announces that American manufacturers are already planning an energetic commercial campaign throughout the treaty port districts of China. Mr. Crane said:

"American mowing machines and reapers are at present among the things most generally sold throughout the Far East. They have been in-

The Later Peter D. Ridenour.

75 years old, and as the result of complications due to old age has been kept home from the store for over a week. His fatal illness is believed to have begun ten days ago when he first complained of shooting pains in the vicinity of his heart.

At the age of 26, Mr. Ridenour married Miss Sarah Louise Hearty at Xenia, O., and moved to Lawrence in 1858. Most of the trip was made in boats because there was then no railroad leading into Kansas City or in fact any other town in the vicinity of the Sunflower state.

With his brother, Samuel, who also had left the old home in Ohio to come west, Mr. Ridenour started a small grocery store at Lawrence, and afterwards came to North Topeka, taking as partners in the business, Harlow W. Baker of Lawrence and later his three brothers, who afterwards composed the wholesale firm known to nearly every Kansas merchant.
